Junior SAP® Consultant

Interested in a challenging job in a varied and exciting project environment ?

We are looking for an imaginative and creative junior consultant in the field of SAP® ERP Financials and Logistics!

Deepen your practice experiences and support our customers in the optimization of business processes and the design and implementation of SAP® solutions.

Who We Are

Conessent Consulting GmbH, headquartered in Westheim (Pfalz) is a global management and IT consulting company - specialising in the implementation of SAP® ERP solutions for large and medium-sized enterprises .We have a strong project presence in countries such as Austria, Switzerland, Luxembourg, Great Britain and the United States.

Our team consists of experienced and qualified consultants with extensive SAP® expertise and expertise in the fields of automotive, telecommunications, media, food, logistics and pharmaceuticals.

The Role

- Challenging and varied activities with major clients
- Responsible for collaboration with other employees in varied process, organization and ERP implementation projects with our national and international customers
- Consulting with customers with business and technical questions and problems
- Development of customized reporting solutions

What We Offer

- Independent work and independent solution development
- Interesting development prospects and scope for innovative ideas
- Individual training through coaching and training
- Competitive salary and comprehensive benefits
- Friendship and collegial working atmosphere, characterized by respect and helpfulness

Requirements

- Analytical skills and creative problem solving skills
- High self-motivation and interest in innovative technologies
- Very good communication and presentation skills
- Confidence, teamwork and social skills
- Very good German and English skills
- High customer orientation, flexibility and commitment

We are driven by high quality standards and a common objective — advancing and improving critical issues.

If you are interested in the above-mentioned challenges, we invite you to apply for this position.

Please send us your detailed application documents.
